A Study on the Planning Control System in England

Lin-Horng Chen*

ABSTRACT

The English town and country planning system attempts to solve planning problems and to regulate the development and use of land in the public interest. The aspect of the system of especial concern for this study is planning control. The investigation will cover the planning hierarchy; and the functions and features of planning control with special attention to matters of significance in terms of comparison with land use control in Taiwan.

摘 要

英国的规划系统是要解决规划问题并管制开发和土地使用。本研究主要是探讨有关英国的计划管制，主要包括计划阶层；计划管制的内容功能和特点，并与台湾土地使用管制制度作比较。
